2. The following is an examiner's statement of reasons for allowance: The examiner finds that once all the circuits are shut off at once, and the steps i-iii in claim one are explicitly stated to occur during the momentary shut off. Similarly limitations in independent claim 8 render that claim similarly allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
